Areas of Expertise

My greatest areas of expertise are in Employee Benefits for small and mid-sized groups as well as Life Insurance, Long Term Care of Disability coverage for groups or individuals. I work with employers with 10-100 employees typically, but can work with smaller or larger groups as well. We offer both Traditional Medical, Dental and Vision plans and can also help an employer build a compliant program to meet the employer/employee needs with the goal of saving employer dollars and/or increasing employee benefits.

My Portfolio

I help ensure that you are not "locked" into one company, which means you have the advantage of obtaining the best coverage and pricing options. I have access to over 20 carriers and typically will quote you 2 of the 3 carriers. We offer Term Life, Whole Life, GUL and IUL product lines from some of the most competitive carriers in the industry.

My Mission

I will listen to your concerns, will engage in a consultative approach to your situation and present a viable solution tailored to solve the insurance needs of your business regarding group health insurance.
